

Dear parents,

The home/school connection is so important for all children. Daily homework is a great way to generalize learning and maintain skills. Daily homework will also allow you to be actively involved in your child's learning.

Each week, we will send home a weekly homework page. There is a section for each day of the week. Please work with your child to complete each day's section. Try to let your child complete as much as they can on their own. The goal is independence! The repetition and structure of these weekly homework pages will help your child gain familiarity with the process and work. Please send back the homework each day for me to check at school.

If you have any questions or concerns, please let me know!

Weekly Homework

Week 1

Name: _____

Dates: _____

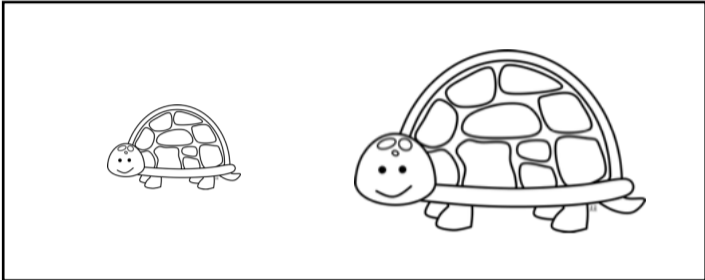

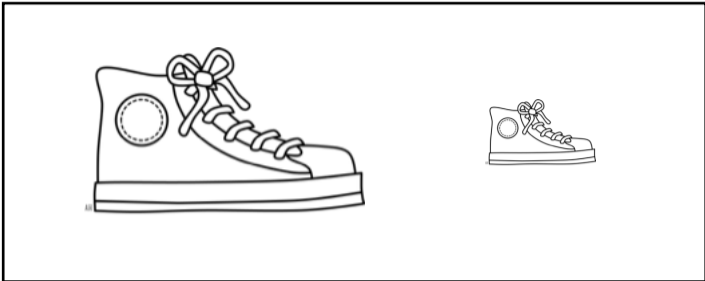

MONDAY

write:

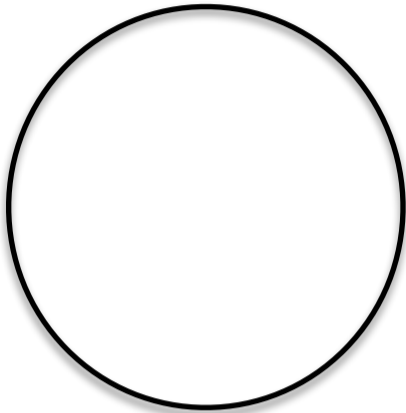

fish

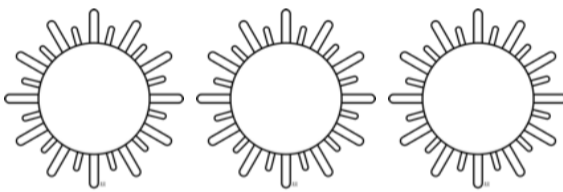

Circle the one that is bigger.

Color: red

TUESDAY

How many?

1
